The Company in a Nutshell

El Badr Plastic Company specializes in providing its clients with plastic packaging solutions to meet their packaging and design needs. Whether bottles, closures, or other specialty items, engraved or printed, our goal is to provide your business with plastic packaging items that will help you meet and satisfy your customers' needs.

Operating in a well structured and planned manner, El Badr Plastic Company is well on its way to becoming a preferred supplier in the pharmaceutical and food & beverages packaging industries. The company is proud of the experience and market recognition it has accumulated over the it's relatively short life span, since 2002, and has ambitious plans for exponential growth in the years to come. With a new factory being built as an extension of the current facilities, as well as new production lines and capabilities being added, El Badr Plastic Company hopes to expand its scope and continue to exceed customers' expectations.

Among our clients today are many of Egypt's leading manufacturing companies, both national and multi-national. We are proud to have gained the trust of such clients and continue to strive towards innovative solutions in order to provide our clients with high quality, consistent, and cost effective packaging, while acting as their external packaging department.

El Badr Plastic Company was established as a privately held cooperation with the vision of being the leading supplier of choice in the plastic packaging industry.
